

July 25, 2018

Kelloggsville Church seeks to be a community of Christ followers who are connecting, growing and serving.

We come to worship to connect with God and others. What this means is that Kelloggsville Church is a place for all to belong. All of our “lenses” or priorities focus on this belonging. Congregational Care, Growing Young, and Missional Living.

The focus of our Director of Faith Formation is advocating for the prioritizing of children, youth, emerging adults, and their families, everywhere in this church, so they are connected, growing and serving.

The focus of our Director of Missional living is advocating for the priority of serving and making an impact on others, particularly our desire is to increase the temperature of Kelloggsville Church’s external focus, to live on mission and love even more people toward God.

While these have been created as two part-time positions, we are willing to consider combining the two into one full-time position, should the right candidate be found.

To apply send a cover letter, resume, and three references. Please indicate in your cover letter if you are applying for one role, or for both.

The search committee will meet to review applications starting September 16, 2018, and the position will remain open until filled.
