**Velma Rypstra**

-**Darren Cupery** began radiation therapy this past week. He will continue this therapy five times a week for several weeks, while also taking a chemo pill twice a week. Pray that his body responds well to treatment and for minimal side effects.

-This evening, the **French-speaking congregation** that worships in the Lower Level Ministry Center will gather for a memorial service for the mother of one of their members who died in the Congo this past week.
